

A SHRINK-WRAPPING SOLUTION SUITED TO EVERY REQUIREMENT

You are looking for an automatic shrink-wrapping solution but:

- ▶ your requirement is temporary and/or **difficult to automate**
- ▶ you have to be able to manage **promotional campaigns** with various products and/or insertion of gadgets, gifts and competition offers
- ▶ you wish to **test the product** on the market before launching it on a large scale
- ▶ you need a versatile solution in order to handle **products which vary** in nature or shape.

DISCOVER OUR RANGE OF TSF AUTOMATIC SHRINK-WRAPPERS WITH MANUAL LOADING

A universal solution **WITHOUT SEALING BAR** for all types of products/requirements with very special conditions (price, location, lead time):

- ▶ All products, even unstable ones
- ▶ All collations: unsupported packs, packs on pads, packs in trays, etc.
- ▶ Use of print registered film with no visible seal
- ▶ Equipment adapted to promotional campaigns, even for small runs

- ▶ Advertising support for all types of packs
- ▶ Automatic shrink-wrapping enables speeds up to 35 cycles/min
- ▶ Format changeovers carried out in 5 minutes with only 3 setting points
